

Dear Prospective Sponsor:

Thank you in advance for your interest in supporting Yorba Linda High School Women's Soccer. Your generous contribution will help us continue to build a quality program. This is a great opportunity to identify yourself as a supporter of local athletics and stimulate business through your ad!

As a brand new school, YLHS Women's Soccer has faced many challenges. The school opened two years ago with just a freshmen and sophomore class. As a first year school YLHS was not eligible for League play. Last year was our first year with a Varsity team and our first year in League. Our Varsity team was proud to make it to CIF! ... almost unheard of for a teams' first year in League. The Mustangs second year of eligibility promises to be just as exciting as YLHS battles for the championship.
